Visalia PD Report Number: 19-044217

Stephanie Cameron, Clerk

Suspect's Name: James Greg Nunley DOB: 12-09-71

Statement of Probable Cause to Request Arrest Warrant:

On 05/31/19 at about 2117 hours, I observed vehicle SB Mooney accelerating rapidly and traveling along side another vehicle that was equally accelerating at almost the same rate. Both vehicles moved into the number 1 lane narrowly passing other vehicles at speeds near 100 MPH in a 45 MPH zone. A witness described the actions of driver Nunley and the driver of the other vehicle as moving into a position next to each other where he "knew they were going to race".

Officer's Name: R Gilson ID# M186

I declare, under the penalty of perjury under the State of California, the foregoing is true and correct.
